## *Welcome to our Venue*

Our unique mountain venue offers you the ability to celebrate your special day, your way.

Nestled into the heart of Tamborine National Park (the Joalah section) and backing onto the start of the Curtis Falls walking track, our venue boasts over an acre of land filled with stunning gardens, winding paths of brick and stone, and pristine white statues.

Our venue offers a choice of unique settings to fit your celebration style and guest numbers.

Imagine enjoying your wedding day while swaying on the giant wooden swing beneath the sweeping branches of our majestic Gordonia Tree, or sipping a glass of wine under twinkling fairy lights over the softly draped Garden Room.

For your wedding reception, you may like the casual feel of our Pavilion, with festoon lighting and direct garden access. Or for a more formal celebration, our Tea Room would be ideal, with elegant chandeliers, lace curtains and old world charm.

Hold an intimate reception in our open-air chapel with chiffon draping used to create a magical dining experience. Or for a more rustic feel, dine under our lush garden arbour adorned with fairy lights, reminiscent of a Tuscan feast.

With so many choices available within one gorgeous property, you are certain to find a setting that connects with you, to make your day a truly memorable occasion.
