

# Signature Collection

## Welcome to Tea & Niceties

Please choose from our selection of loose leaf teas

### **Bon Bon** \*(White) - **Low Caffeine**

A delicious mix of peach, vanilla, apple and sweet apricot kernels, on a base of the popular Pai Mu Tan white tea.

The tea yields a sweet, smooth and refreshing liquor that's absolutely irresistible.

### **Carnival** (Fruit) - **Caffeine Free**

Sporting a tangy tropical flavour, Carnival is a floral and fruity tea. This wonderfully colourful infusion blends fruits and botanicals such as hibiscus and papaya.

### **Chai Masala** \*(Black) - **High Caffeine**

An indulgent blend of mild spices, balanced with a sweet aroma.

### **Christmas** (White) **Low Caffeine**

A festive blend of Apple and spice. Christmas may only come once a year, but you can enjoy Christmas cheer all year round with this tea

### **Cinnamon Apple** \*(Black) - **High Caffeine**

An aromatic mix of apple, cinnamon, hibiscus and black tea is beyond delicious. A refreshing blend hot or cold and sweetened if desired

### **Cocoa Haven** \*(Black) - **High Caffeine**

Delicious chocolate paired with a variety of robust black tea  
Healthy and decadent at the same time !

### **Darjeeling (Organic)** \*(Black)

A classic, light-medium strength tea grown near the Himalayas, known as the 'champagne of tea'

### **Earl Grey** \*(Black) **High Caffeine**

A classic premium Ceylon loose leaf infused with citrusy bergamot.  
Elegant and balanced with a full-bodied flavour

### **Empress Garden** (Green) - **Low Caffeine**

A loose leaf green tea is infused with the wonderful scent and flavour of jasmine flowers. The tea is then combined with organic rose petal and osmanthus, resulting in an uplifting blend of sweet and floral aroma and taste.

### **English Breakfast (Organic)** \*(Black) **High Caffeine**

An organic, premium grade of breakfast tea, with great balance between strength and flavour.

### **Expectant Mother** (Herbal) **Caffeine Free**

A caffeine free herbal and floral tea fusion containing -  
Raspberry leaf, Nettle , Rose buds, Rosehips,  
Ginger and Peppermint

### **Fairy Tale** \*(White) **Low Caffeine**

A delicious white tea dotted with pretty rose petals and pom pom like globe aramanth blossoms.

### **Farmhouse Breakfast** \*(Black) **High Caffeine**

A strong black tea with roasted barley and a bite from a slight gingery taste. A rustic tea that pairs well with milk to create a traditional flavoursome cup.

### **Ginger Kiss (Organic)** (Herbal) **Caffeine Free**

A zesty, vibrant tea with a warming boost of spice. This bright blend of ginger, hibiscus and lemongrass creates a beautifully refreshing brew.

### **Hibiscus** (Herbal) **Caffeine Free**

A pretty, ruby red infusion made with crimson hibiscus flowers. This slightly tart herbal tea has a cranberry like flavour

### **Honey Bee** (Herbal) **Caffeine Free**

A yummy antioxidant rich honeybush herbal mix. A lovely vanilla taste with a touch of lavender. Low in tannin

\*suitable with milk

# Signature Collection

continued. . . . .

## Lemony Delight (Green)

A popular green tea. Uplifting yet soft lemony flavour and aroma, a touch of floral jasmine, blended with Australian lemon myrtle.

## Lemon Myrtle (Herbal) **Caffeine Free**

A refreshing tea with a soft lemon flavour and citrusy fragrance.

## Long Jing (Organic) (Green)

One of the most well known Chinese green teas, with distinct flat sword shaped leaves that are hand fried by tea masters. This tea helps to balance the richness in various foods

## Luv Berries (Herbal) **Caffeine Free**

A fun, fruity infusion that's wonderfully tasty. Berry lovers will be tickled pink with this pretty brew

## Lychee Black (Black) **High Caffeine**

The lychee fruit has a sweet, aromatic taste to it. Blended with a black tea and a hint of rose brings the flavour to life.

## Mango Green (Green)

A tropical delight, mango green tea has a sweet scent blended with refreshing green tea to quench your thirst and beat that sugar craving without plunging into a sugar binge.

## Mint Soother (Herbal) **Caffeine Free**

A medium brew with a great smooth finish. Finely balanced in richness, flavour and strength.

## Mirage \*(Black) **High Caffeine**

A fragrant black tea with notes of orange and Earl Grey together with Mandarin peel and Bergamot make it a refreshing blend

## Orange Pekoe \*(Black) **High Caffeine**

Delicious Black Tea infused with natural orange flavour & organic orange segments

## Rose Oolong (Oolong)

Envelop yourself in the beautiful and relaxing rose fragrance while enjoying this high quality tea. Helps with digestion and soothing on overworked nerves.

## Romance \*(Black) **High Caffeine**

Is a softer, romantic variation of the classic Earl Grey. It tickles the heart with a touch of aromatic rose, Bergamot and Natural Vanilla flavour

## Sweet dreams (Herbal) **Caffeine Free**

A unique blend of chamomile and blue mallow flowers giving this with a delightful aroma thanks to the addition of rose petals.

## Symphony \*(Black) **High Caffeine**

A French Earl Grey like blend with a twist. This black and green tea fusion has a creamy apricot peach flavour with pretty floral notes.

## Yorkshire Garden \*(Black) **High Caffeine**

A robust Ceylon black tea infused with natural rose flavour and rose petals. Enjoy plain or with milk and sugar.
